Please give us feedback on the following questions to help us in planning for 2011 and beyond:

As our conference continues to grow, we have added a 3rd concurrent session to accommodate expanding content. Another option is to add a day, but this would increase costs and registration fees. Which option do you prefer for accommodating additional content?

We are considering moving the conference to late February or early March. Would you be able to attend a later conference, or would you prefer we keep the conference in early February?

Do you have any suggestions for a *theme* for a future WWA conference?

Do you have any suggestions for a *location* for a future WWA conference? (If you recommend a particular city, please recommend a venue in that city that is large enough to accommodate the conference.)
