

# You Can Restore Wetlands

A SERIES OF INTRODUCTORY  
WETLAND RESTORATION  
WORKSHOPS PRESENTED BY:

---

## Learn how to restore wetlands on your own property!

---

WWA invites participation from land owners, land managers, conservation professionals, and anyone who has an interest in learning about the need for and process of restoring wetland habitats. Hands-on workshops will begin with a classroom session followed by a bus tour to a series of wetland field sites. Lead instructor Alice Thompson of Thompson & Associates Wetlands Services will be joined by co-instructors at each workshop. Participants will learn:

- The basics of wetland ecology.
- What to look for in a potential restoration site.
- How to use different restoration techniques.
- The basics of regulations and permitting.
- How to fit it all into a complete restoration plan.

For more information, see our website at [www.wiscwetlands.org](http://www.wiscwetlands.org), or contact Laura England, Outreach Programs Director ([laura@wiscwetlands.org](mailto:laura@wiscwetlands.org) or 608.250.9971).

### WORKSHOP SCHEDULE

### Early Bird Registration Fee\*

Counties	Date	WWA Members	
		Non Members	
Manitowoc	Sat., June 11, 8 am-4 pm	\$40	\$50
Eau Claire	Sat., July 9, 8 am-4 pm	\$40	\$50

\* Register 2 weeks in advance for early bird rates. A late fee of \$5 applies for registrations received within 2 weeks of the workshop. Registration fees include lunch and a copy of the *Wetland Restoration Handbook for Wisconsin Landowners*

**Advanced Restoration Workshop:** WWA will also be offering a 2-day advanced wetland restoration workshop to those who have completed one of our introductory workshops or already have experience with restoration. The workshop will be held July 22-23 in Portage County. For details and registration contact Laura England, Outreach Programs Director ([laura@wiscwetlands.org](mailto:laura@wiscwetlands.org) or 608.250.9971).
