

Introductory Wetland Restoration Workshop

Saturday, August 4, 8:00 am ~ 4:00 pm, Dane County

Meeting Location: Staybridge Hotel, 7790 Elmwood Avenue in Middleton

Instructors: Alice Thompson, Thompson & Associates
Wetlands Services, Jeff Nania, Wisconsin Waterfowl Association

Partners: Wisconsin Waterfowl Association,
USFWS Partners for Fish & Wildlife

Wisconsin Wetlands Association invites landowners, land managers, interested citizens, and members/staff/leaders of outdoor sporting groups, lake and river groups, land trusts, and other conservation organizations to join us for a hands-on, field-based workshop on wetland restoration. This introductory level workshop will begin with a morning classroom session followed by a tour of a series of wetland field sites in western Dane County. Participants will learn about basic wetland ecology, how to assess a potential restoration site, different restoration techniques, the basics of regulations and permitting, and how to fit it all into a complete restoration plan.

Registration Fees*	WI Wetlands Assn. Members	Non Members**
Early bird – before July 20	\$50	\$75
Late fee – after July 20	\$ 5	\$ 5

* Fees include refreshments, lunch and a copy of our award winning Wetland Restoration Handbook for Wisconsin Landowners.

** Join WWA to receive member rate. Basic membership is \$30 – download form at www.wisconsinwetlands.org/membership.htm.

Registrants will receive a confirmation letter with driving directions and other instructions on what to bring/wear.

REGISTRATION: Wetland Restoration Workshop – August 4, 2007

Please complete both sides of this form and mail it with credit card info or check payable to WWA to:
Wisconsin Wetlands Association, 222 S. Hamilton St. #1, Madison, WI 53703.
