

# *Protecting West Bend Wetlands*

**12:30 – 1:30: Lowland hardwood swamp walk.** Few wetlands of this type remain in the Milwaukee River Watershed and most of those left are tucked away on private land. Bring your boots and plan to be awed by these beautiful wooded wetlands and all of their hidden treasures.

**1:30 – 2:30: The view from across the river.** Ozaukee Washington Land Trust's Fellenz Woods occupies nearly 1.62 miles of undeveloped land on the banks of the Milwaukee River. Known for an impressive diversity of trees and wildlife habitat, this site also harbors one of only about 12 known heron rookery sites in southeast Wisconsin.

**2:30 – 3:30:** Drinks and discussion at the Riverside Brewery  
225 Main St., West Bend.

*Donations to support the organizing and advocacy efforts  
of Wisconsin Wetlands Association and Friends of  
Milwaukee's Rivers.'*

**RSVP** by May 30 to Wisconsin Wetlands Association  
608-250-9971

**Meet** at the 12:15 pm at the "Fields" parking lot on Veterans Ave.  
From Hwy 33 turn South on Veterans Ave. Park in the second lot on the  
right just after the sharp curve in the road.

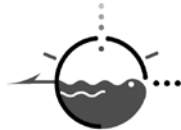

# Protecting West Bend Wetlands

## A field trip fundraiser and social

**Spring is here.** Please join the Wisconsin Wetlands Association and Friends of Milwaukee's Rivers to see spring in action at the site of the proposed West Bend Airport Expansion. You've heard about the 150+ acres of at-risk wetlands and our perspectives on why this project is not in the best interest of the community or the Milwaukee River. Now you're invited to see the wetlands firsthand and support our efforts to stop their destruction. Join us afterwards for drinks and snacks at the Riverside Brewery.
